Reference: October Monthly Report (9/1/2008-9/30/2008)

Dear Mr. Jones:

This letter is in response to your request for additional information dated April 29, 2009. Your inquiry relates to The Freedom Project (Committee) administrative expenses. The Committee has paid and reported all administrative expenses. In fact, the Committee's July 2008 rental payment was pre-paid in June and reported on the July 2008 Monthly report. The August and September payments were made in October and reported on the 2008 30-Day Post-General Election Report which has been amended to separately reflect those payments. In addition, the Committee has today filed amendments to its September and October 2008 Monthly reports to disclose debt for the rent.

Sincerely,

Margee Clancy  
Treasurer
